Introduction

Your ComPass Report helps you understand what makes you special — your natural strengths, learning style, and interests. It shows what you enjoy doing and how you like to learn. This helps you explore school subjects, activities, and hobbies with more confidence and curiosity.

'DREAM IS NOT THAT WHICH YOU
SEE WHILE SLEEPING IT IS
SOMETHING THAT DOES NOT LET
YOU SLEEP

A.P.J. Abdul Kalam

How This Report Works

This report is based on your answers to simple questions about what you enjoy and how you prefer to learn. Your choices form patterns that reveal your natural tendencies. These patterns help you, your parents, and your teachers understand how you think, connect with others, and explore new ideas.

Remember, there are no right or wrong answers.

It is all about discovering *you*.

How Your ComPass Report Can Help You:

- ☑ **Discover** what you are good at and what you can improve
- ☑ **Explore** subjects, hobbies, and activities that match your interests
- ☑ **Learn** how you like to study and work with others
- ☑ **Find** new areas you may want to try or learn more about
- ☑ **Plan** small steps to grow, learn, and reach your future goals

Your Highlights

	<p>Your Core Strengths</p> <p>These are the natural qualities that make you unique.</p> <ol style="list-style-type: none">1. You are curious and love learning new things2.3.
	<p>Your Best Fit Learning Areas</p> <p>Your Best Fit Learning Areas and strengths will help you perform your best</p> <ol style="list-style-type: none">1. Language Arts & Social Studies2.3.
	<p>Your Growth Focus</p> <p>These are the areas you can work on to become even more effective and balanced in your personal and academic life.</p> <ol style="list-style-type: none">1. Learn to set clear limits and avoid taking on too much2.3.

Your ComPass Assessment Summary

Friendly | xxxx | xxxx | xxxx

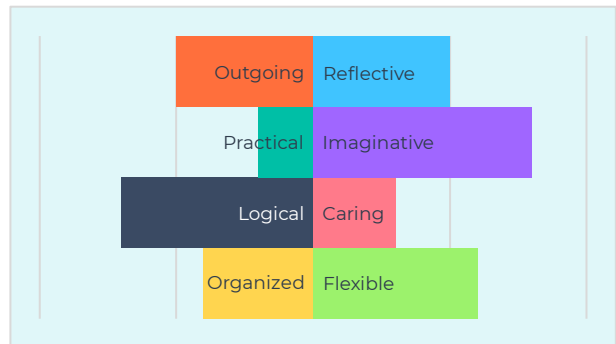

You are friendly, kind, and full of positive energy.

Your Personality Pattern

	Trait 1	Trait 2
Energy Source	Outgoing Enjoys talking, sharing ideas and being with people	Reflective Enjoys quiet time to think and work alone
Learning Style	Practical Learns best through doing and seeing real examples	Imaginative Enjoys exploring ideas and thinking of new possibilities
Decision Style	Logical Thinks carefully and uses facts to decide	Caring Thinks about how decisions affect people's feelings
Work Style	Organized Likes plans, routines, and clear goals	Flexible Enjoys variety and adjusts to new situations easily

Your Personality Trait Map

This part shows how your personality is made up of different traits. Each area has two opposite sides. The longer the bar, the more strongly you show that trait. If both sides are similar, it means you can balance both — like being talkative and thoughtful, or creative and practical

Remember, this is not a score. It simply shows your **natural way** of thinking, learning, and working with others. You can always use both sides whenever you need to!

Discovering You

A Natural Connector (with a Big Heart)

You are warm, caring, and full of energy.

At School: Your Stage to Shine

The Social Butterfly: You bring joy wherever you go. You are a natural connector who brings people together.

Empathy is Your Superpower: You understand how your friends feel and always try to help.

Helping Hand: You stand up for what is right.

At Home: You Bring Warmth and Light

Everyone's Friend: Your cheerful nature makes you the heart of the family.

Emotions Matter: You are quick to notice how others feel.

Teamwork Makes the Dream Work: You love family projects from organising games to helping in the kitchen.

What You Do Best and Ways to Improve

Things You Do Best	Helpful Habits to Practice
Leadership You naturally guide and motivate others.	Working Together as a Team You like to lead and help, which is great! Just remember to give others a chance to share their ideas too.

Veritas

Subjects to Shine & Grow

The subjects you enjoy and suit your strengths make learning fun. Focusing on these areas helps you study more easily, stay motivated, and open doors to new opportunities.

Subjects Where You Shine

The subjects you enjoy and suit your strengths make learning fun. Focusing on these areas helps you study more easily, stay motivated, and open doors to new opportunities

Language Arts / English

You enjoy reading stories, expressing your ideas, and sharing your thoughts with others.

Subjects That Might Need Extra Effort

Some subjects may feel harder at first. Focusing on them with the right approach can help you improve, enjoy learning, and grow your skills.

easier.

How You Learn Best:

- You like subjects that focus on people and ideas

-
